May 2022 – Nov 2022

Innovation for Advanced Science Research Group (IASRG)

Summit University Offa, Kwara, Nigeria

- Assisted in developing research plans and participating in collaborative research meetings
- Supported technical documentation and knowledge sharing

Projects

- **Fund Me DApp**
React • TailwindCSS • Solidity • Ethers.js
Built a decentralized crowdfunding platform. Wrote a Solidity smart contract to handle fund contributions. Integrated with a React frontend using ethers.js and deployed it on Vercel.
- **Event Management Website**
React • TailwindCSS • React Router DOM • Framer Motion
Developed a multi-page responsive website for an event planner to showcase services, gallery, and contact booking. Integrated Framer Motion for smooth animations.
- **Raven Shades – Model & Beauty Portfolio Website**
React • TailwindCSS • Framer Motion
Built a sleek brand site for a model and beauty content creator. Featured services, gallery, and a 'Book Now' form. Integrated animated page transitions with Framer Motion.
